

PRE-PAINT CHECK LIST EXTERIOR

We understand that your home and landscaping are of great value to you so we ask that you complete the following prior to our arrival. If you are physically unable to perform these tasks, please let us know and we can arrange to have these done.

- Cut back all branches touching the home, take down vines that are close to or connected to the home.
- Remove and store all items from your front or back porch that you would not want to get wet during the power washing process.
- Make sure all windows and doors are securely closed on the day that the power washing is to take place.
- Please turn off automatic sprinkler system for the duration of the project.
- Please have all animal waste cleaned up before arrival.
