IF EMERGENCY CARE IS NEEDED, CALL 911 IMMEDIATELY. This directory is **NOT** intended to identify emergency medical providers and should not be used for such.

On the following pages you will find a directory of physicians and medical facilities for your use in obtaining workers' compensation medical care. We have endeavored to make the following information complete and accurate as of the date this directory is published. However, the status of providers change periodically, and new providers join our network regularly. Accordingly, the information contained herein is subject to change without notice. The NJM Insurance Group does not warrant the completeness or accuracy of the information. NJM will verify network participation when scheduling patient's appointments.
